

The Acorn Centre Sunbeam Group

Supporting families and carers of children with
additional needs.

Our support group offers Parents, Grandparents and carers the opportunity to meet up with other families who have children with additional needs for a coffee and a chat.

Our Acorn centre staff will provide activities for children including a small snack, which will hopefully allow you some time to sit back, relax and chat with other families.

We can offer both indoor and outdoor play facilities depending on the weather.

There is no charge to attend our group.

Sunbeams group is held every
Tuesday Afternoon 1pm - 3pm

Term time only
